

GREAT VALUES for Highest Quality Industrial Scales

NEW MODELS - DIRECT FROM THE FACTORY!

ARLYN SCALES provides a unique concept in electronic weighing equipment. VALUE! All Arlyn Scales are shipped to you direct from the factory, and require none of the dealer services typically required on other digital scales. So instead of paying for a scale and a dealer, you pay only for the scale you need, and nothing more. Whether you need the most sensitive laboratory balance, or a high capacity pallet scale, you can be sure you are getting leading technology, superior quality, and the utmost in value.

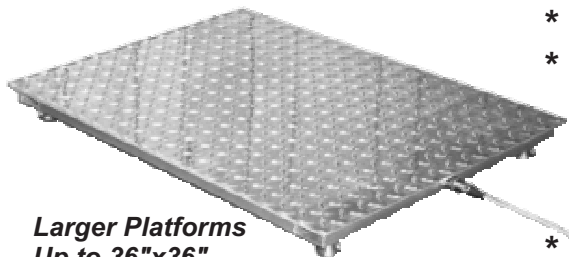

If you're not exactly sure of what you need, or don't see the exact item you're looking for, give our highly trained sales staff a call on our **toll free 800 line**. They'll be sure to help!
